

The Reason and Goal of this Camp

There will be a mixture of learning basketball skills, with study times and skits that show the practical application of sports skills to life skills, as well as the Gospel message of the Lord Jesus Christ. Learning to be a "good sport" can help make disciplined kids.

July 16-20, 2018
6:00-8:15

Groups by Grade:
1-2; 3-4; 5-6

Throughout the week we are hoping to have various people lined up to help. Also, we are hoping to line up a coach or two as we did last year.

Sports can be, and should be, an avenue through which our kids grow up to be disciplined members of society.

The Cost

There will be a \$5 fee for each child. This will cover everything that is needed, including a T-shirt and a Bible for each participant.

Scholarships Available

If the cost of this camp is a barrier to your child coming, please let us know; we will be happy to provide a scholarship to cover the cost.

This camp is for both boys and girls, grades 1-6. The schedule will be full so we need you to commit to having your child here, on time, each and every day.

"How you react after adversity determines your real toughness."
